Bowling Green Skating Club
Saturday Mornings 9:00 - 10:00 am ~ 1 hr Session
ADULTS ONLY Ages 18 - ?

The Bowling Green Skating Club is offering adults the opportunity to skate on Saturday mornings starting **October 24**. If you have a skater in our Saturday skating program, now is your chance to get on the ice and learn how to skate as well. This is for adults 18 years and older, and there will be an instructor to help teach you the basics, or come on out to practice your current skills. The Club requires a one time **\$40 membership fee** (payable to BGSC), to cover the cost of joining USFS (United States Figure Skating). The cost to skate is **only \$5.00** each time you skate.

Bring family members and friends. There is no commitment, just skate on the days that work best for you.
