

2007 - 2008
BOWLING GREEN SKATING CLUB
ADULT CLUB

1. This year Adult Club will consist of 3 Sessions with 8 weeks per session.
2. We have decided to offer an opportunity to contract for 4 weeks, for the Winter Session. We'd like to see more participation from the Adults, and hope this will help.
3. Adult Synchro is for skaters who are only skating on the Adult Synchro Team. These skaters will only skate part of the normal adult club time, but will still owe the club for that time used.
