## VOLUNTEER PROGRAM FORM

The BGSC is primarily operated by volunteers. In fact, the success and growth of the club depends on each family committing to support the club through volunteer hours. The BGSC has a mandatory work program for active skaters and each family will be required to put in ten (10) hours for the 2009-2010 season. For those skaters who become BGSC members in January or later, the volunteer requirement is 5 hours. This year's volunteer program will begin July 1, 2009 and end April 30, 2010. Any family not completing the required hours by the end of the skating season, will be assessed a **\$10.00 per hour** charge for hours not worked. Each member does have the option to pay for volunteer hours.

1. I understand that by completing the membership packet that the skater is a member of the Bowling Green Skating Club for the entire year. As a member of the Bowling Green Skating Club I agree to complete the mandatory volunteer hours. No one is exempt.
2. I understand that the Bowling Green Skating Club will make every attempt to contact me about volunteer opportunities; however, it is ultimately my responsibility to ensure that I complete the mandatory volunteer hours. I understand that I should pay attention to the club's newsletters, emails, website, and bulletin boards to actively look for volunteer opportunities. I understand that I should contact the Volunteer Committee members or skating club board members to actively look for volunteer opportunities.
3. I understand that it is my responsibility to fill out the necessary paperwork to document the volunteer hours that I complete.
4. At the end of the skating season, I agree to pay the Bowling Green Skating Club \$10 per hour for each hour not worked.
5. I understand that failure to complete the volunteer hours or make payment for volunteer hours not worked will cause the skater to be ineligible to test or compete after June 30, 2010. I also understand that any future membership in the skating club will be denied until all debts have been settled.
